Hi [REDACTED],

Apologies for the persistence here, but as you finalize your 2025 projects, consider the significant cost savings of switching to Google Workspace. Not only are you getting powerful tools, but you free up the bandwidth and budget for other projects.

Ready to explore the possibilities?

Cheers,  
Ben

Hi [REDACTED],

I understand your team is likely using Microsoft. Most of our customers transition from Microsoft and experience significant improvements in collaboration, efficiency, and security.

Would you be interested in exploring how Google Workspace can improve your day to day operations?

Cheers,  
Ben
